Experience

Java Programmer at Coding Ninjas — Dec 2021 - Jan 2022

- I completed an intensive and comprehensive Java programming course at Coding Ninjas, a renowned online learning platform.
- This course provided me with in-depth knowledge of Java programming fundamentals, data structures, algorithms, and object-oriented programming principles.
- The course also emphasized problem-solving techniques and best practices in Java development, enabling me to approach complex coding challenges with confidence.

Web Development at Coincent — Oct 2021 – Dec 2021

- During my internship at Coincent, I had the privilege of immersing myself in the world of web development.
- I gained hands-on experience in front-end development technologies, including HTML, CSS and JavaScript.
- I actively contributed to the creation of user-friendly and responsive web interfaces, ensuring optimal user experiences.

Projects

Chat App / JavaScript, React JS, Socket.io
- Implemented real-time messaging using Socket.io, enabling instantaneous communication between users.
- Facilitated one-to-one and group messaging, ensuring a smooth and seamless user experience.
- Developed the frontend using React JS to create a dynamic and user-friendly messaging interface.

Music WebApp / JavaScript, ReactJS, Tailwind
- Developed a dynamic and user-friendly music web application using React.js, showcasing proficiency in front-end development.
- Implemented features for seamless navigation real-time updates and optimal performance.

Web Resume / JavaScript, HTML, CSS
- I have designed and developed a responsive web-based resume using JavaScript, HTML, and CSS to showcase my professional profile and accomplishments.
- This interactive and user-friendly website not only provides essential information about my skills and experiences but also demonstrates my proficiency in front-end web development.

Skills

Java, JavaScript, HTML, CSS, React JS, MySQL

Achievements & Interests

- Passionate about teaching and mentoring, I find joy in sharing knowledge and I have taught in an NGO (Light De Literacy).
- Appeared in TCS NQT exam and got 80% in aptitude section that showcase my problem-solving skills.
